Farm women imparted training on mass production of bio-fertilizers

Port Blair, Dec. 8

A three-day training programme on 'Mass Production of Bio-Fertilizer' was organized by ICAR-Krishi Vigyan Kendra, CIARI at Tushnabad Panchayat community hall from Dec.3 to 6. A total of 32 farm women from different villages of Tushnabad Panchayat participated in the training. Dr. Y. Ramakrishna, Head, enlightened the participants on the scope and importance

of bio-fertilizers in agriculture. Dr. N. Bommayasamy, Course Facilitator threw light on isolation of nitrogen fixing bacteria & phosphorus solubilising bacteria and preparation of carrier-

based formulation for commercialization of bio-fertilizers.

Dr. B.K.Nanda, Dr. Pooja Kapoor and Dr. Zacharia George also spoke on the occasion, a press release from ICAR-CIARI said.
