## Training on Value Added Poultry Products organized by ICAR-CIARI

Port Blair, Dec. 10

A three days hands on training programme on entrepreneurship development of Tribal farming community through value added poultry products was organized at Division of Animal Science, ICAR-CIARI. The programme was organized in commemoration of Azadi Ka Amrit Mahotsav- India@75 from Dec.6 to 8. A total of 16 Nicobari youth including 12 girls from Dollygunj and Vikas Nagar participated in this programme.

Dr. E.B. Chakurkar, Director, ICAR-CIARI motivated the participants to learn all the skills to prepare value added products to establish their own business. He informed that ICAR-CIARI is ready to support them in all possible ways to initiate product preparation in a team mode. He assured them for

the technical guidance from Scientists of CIARI. Dr. Jai Sunder, Pr. Scientist & I/c HoD (Animal Science Division) also addressed the participants. During the training programme, participants were given practical hands on training to prepare value added products such as quail egg pickle, quail meat tandoori, sausage from chicken and duck meat, nuggets, chicken meat pickle under the technical guidance by Dr. T.Sujatha, Sr. Scientist, a press release from CIARI said.
