Port Blair, Dec 18: Awareness training cum pulses seed distribution programme was organised at Basantipur and Dashrathpur Gram panchayats of North & Middle Andaman district by ICAR-KVK, North & Middle Andaman in order to promote high yielding varieties of CARI Mung and CARI Urd in selected farmer's field under CFLD on 14th and 15th December, 2023. The programme was inaugurated by Dr. Eaknath.B. Chakurkar, Director, ICAR-CIARI, Port Blair in presence of Mr. Ramkrishna Roy, Pradhan, Basantipur. In his inaugural address, Dr. Eaknath.B. Chakurkar, highlighted the recent advances in research and importance of pulses cultivation in rice- fallow situation for improving the organic matter content and nutrient status of soil. During the interaction with farmers, he has discussed the availability of fish seed and feed in North & Middle Andaman. The farmers of Nimbudera urged the Director, CIARI, to provide residential training on fish breeding at ICAR-CIARI, Port Blair and demanded to provide Nicobari fowl chicks for backyard rearing. Dr. P.K. Singh, Pr. Scientists discussed in detail about scientific cultivation of pulses. At the outset, Dr. V. Damodaran, Senior Scientist & Head, ICAR-KVK, Nimbudera welcomed all the dignitaries and motivated the farmers to adopt the improved varieties of pulses developed and released from ICAR- CIARI. Later, the quality pulse seed of improved varieties viz CARI Mung-2 & 3 and CARI Urd-1 were distributed to selected farmers of Basantipur and Dashrathpur Gram panchayats for demonstration of pulses under CFLD for enhancing the production and profitability.

The Director, CIARI and the team of scientists visited the farmer's field of Mr. Nirmal Samaddar to monitor the performance of hermetic bags in comparison to the traditional storage of paddy grains, freshwater aquaculture and poultry farming activities etc undertaken at his farm. They have also visited the progressive farmer's field of Mr. Muniyandi at Rangat and Mr. Balaram Mistry at Parnasala village

The programme was coordinated by Er. Manoj Kumar, SMS (Agril. Engg), ICAR-KVK, under the supervision of Dr. V. Damodaran, Sr. Scientist & Head, KVK, Nimbudera and overall guidance of Dr. Eaknath. B. Chakurkar, Director, CIARI, Port Blair. About 72 farmers and farm women participated and benefited from N & M Andaman.
