Training on Freshwater Ornamental Fish Culture imparted

Port Blair, Feb. 27

ICAR-Central Island Agricultural Research Institute (CIARI) for the first time conducted skill development training on 'Freshwater Ornamental Fish Culture for Entrepreneurship Development for Nicobarese Youth' at ICAR-CIARI, Garacharma from February 23 to 25, 2024. The training was conducted under the Schedule Tribe Component in association with NABARD, Port Blair, and DST, New Delhi under the chairmanship of Dr. E. B. Chakurkar, Director, ICAR-CIARI, Port Blair.

During the three-day, the participants were trained on various

aspects like selection of candidate ornamental fishes, breeding, aquascaping, health management, tank fabrication, live feeds, and feeding and hatchery management, a press release from CIARI said.
