ICAR-CIARI licensed “DWEEP LEAF SEPARATOR”

SRI VIJAYA PURAM, JAN 19/--/ Technology License Agreement was signed on 17th of January 2025 for the technology “DWEEP LEAF SEPARATOR” at ICAR-CIARI, Sri VijayaPuram among ICAR-Central Island Agriculture Research Institute (CIARI) and JAI SANKAR

INDURSTRIES, Pvt Ltd, Sri VijayaPuram.

This is an efficient, laboursaving, hand-held tool for removing the mid rib from the coconut leaf lets. A person can separate 500 midribs/hour through this tool in comparison to 380 midribs/hour through traditional method. Moreover, the mid ribs obtained through this tool were cleaner than those obtained through traditional method. This is a patented technology which has good potential to be a part of Agricultural Market.
