KVK organizes Agricultural Education Day

Port Blair, Dec. 6

ICAR-Krishi Vigyan Kendra, Port Blair observed Agricultural Education Day at Don Bosco School, Lalpahar, South Andaman recently. A total of 40 students attended the programme. Dr. Y. Ramakrishna, Principal Scientist & Head, KVK made a detailed deliberation on various aspects of agricultural education and the significance of the day. Principal Fr. Deva Anbu was the chief guest of the occasion and he encouraged the students to pursue a career in the field of Agricultural Sciences.

The career progress of eminent Agricultural Scientists and their contribution in nation building was discussed by the resource persons from KVK, South Andaman. The concepts of nutritional security and natural farming was elaborated by Dr. B. K. Nanda, S.M.S. (Agricultural Engineering), Shri Thanmai Paul, Farm Manager and teachers of the school, a press release from CIARI said.
