Regional Centre will deliver a Seminar Lecture on 'Floral diversity of Andaman & Nicobar Islands'. On 28th November, the Garacharma Campus of CIARI will be open for the school students to visit its R&D activities. In addition, students can submit a Concept Paper on 'Innovative ideas for agricultural development in the Islands' by 30th November. The highlight of this fortnight programme will be the Scientist-Student Interaction, wherein a team of Scientists will visit the schools to create awareness among the students about 'Career opportunities in agriculture and allied sectors' and to inculcate scientific temperament.

For details, Organizing Secretaries, Shri D. Karunakaran-9433286866 and Dr. R. Jayakumara Varadan-8903974102 can be contacted, a press release from CIARI said.
